# Unlocking Value from Intellicentre Campus

## 1 Opportunistic divestment to unlock value and optimise Unitholder returns

**Keppel DC REIT**

Opportunistic divestment at attractive price of A\$174.0m; 3.6% exit cap rate

148.6% premium to original investment of ~A\$70.0m

35.4% premium to FY2023 valuation of A\$128.5m

## 2 Retain exposure to Australia data centre market, with positive DPU impact

DPU accretion of ~0.7%

Initial yield of 6.97% with annual escalation

A\$90.0m reinvested into Australia Data Centre Note with an 8.5 year tenure

 **macquarie**  
DATA CENTRES

 **macquarie**  
TECHNOLOGY GROUP

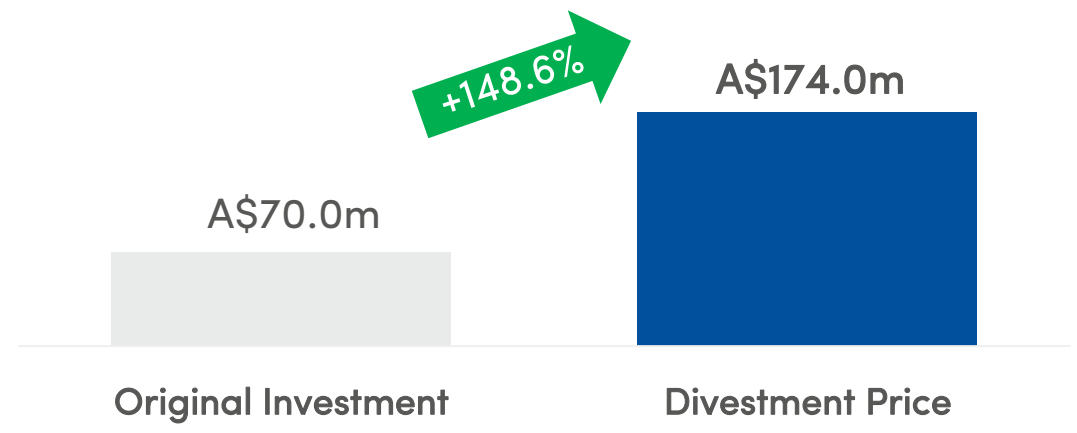

Intellicentre Campus, Sydney, Australia

**Proactive asset management strategy to unlock value & optimise Unitholder returns**

- Exit cap rate of ~3.6%
- Unique opportunity to realise value

1

# Opportunistic Divestment at Attractive Sale Price

## 2 Retain Exposure to Australia Data Centre Market

- A\$90.0m<sup>1</sup> reinvested into Australia Data Centre Note (AU DC Note) issued by Macquarie Data Centres Group (MDC)<sup>1</sup>

- Regular income stream commencing at A\$6.3m p.a., initial yield of 6.97%, with annual CPI-linked escalation for a term of 8.5 years

- Portion of sale proceeds will be used for the repayment of existing loans for Intellicentre Campus<sup>2</sup>

- Note guaranteed by ASX-listed Macquarie Technology Group, whose facilities houses data for the world's biggest hyperscalers, clouds and 42% of the Australian Federal Government

### 3 DPU Accretion of 0.7%

- FY 2023 pro forma DPU will increase from 9.383 cents to 9.446 cents, had the proposed transactions occurred on 1 Jan 2023

- Post-transactions, portfolio profile continues to be supported by high occupancy of 98.1% and long WALE of 6.8 years<sup>2</sup>

- Aggregate leverage post transactions expected to improve to 36.6% from 37.4% as at 31 Dec 2023

- Estimated net proceeds of A\$22.3m may be used for repaying debt, funding acquisitions, capital expenditures and/or working capital

FY 2023 Pro Forma Distribution Per Unit (cents)<sup>1</sup>

Assuming the transactions occurred in FY 2023.

1. Assuming part of the sale consideration received from the divestment is recycled into funding the AU DC Note subscription and used to repay the existing loans which had been drawn down to fund the initial acquisition price (including development costs) of the property.
2. By lettable area as at 31 Dec 2023. WALE by rental income would have decreased from 4.5 years to 4.3 years.

---

# Thank You

**Important Notice:** The past performance of Keppel DC REIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be “forward-looking” statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business.

Prospective investors and unitholders of Keppel DC REIT (“Unitholders”) are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel DC REIT Management Pte. Ltd., as manager of Keppel DC REIT (the “Manager”) on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. None of the Manager, the trustee of Keppel DC REIT or any of their respective advisors, representatives or agents shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of units in Keppel DC REIT (“Units”) and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited (“SGX-ST”). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.
