Dear Sir/Madam

- (1) **THE PROPOSED SPECIAL DIVIDEND *IN SPECIE* OF UNITS IN KEPPEL REIT**
- (2) **THE PROPOSED CHANGE OF NAME OF THE COMPANY FROM "KEPPEL CORPORATION LIMITED" TO "KEPPEL LTD."**

1. INTRODUCTION

1.1 Proposed Distribution

We refer to the announcement dated 27 July 2023 issued by the Company in relation to the proposed special dividend *in specie* (the "**Proposed Distribution**") of units in Keppel REIT ("**KREIT**", and such units in KREIT, the "**KREIT Units**") to the Shareholders (the "**DIS Announcement**"), a copy of which is available on the website of the SGX-ST at <https://www.sgx.com/securities/company-announcements> and on the website of the Company at <https://www.keppcorp.com/en/media/media-releases-sgx-filings/>.

The Proposed Distribution will be effected on the basis of one (1) KREIT Unit for every five (5) Shares held by each Entitled Shareholder as at the Record Date, fractional entitlements to be disregarded.

As at the Latest Practicable Date, the Company holds, directly and indirectly, 1,746,550,815 KREIT Units representing, in aggregate, approximately 46.3 per cent. of the total number of KREIT Units in issue, and the issued share capital of the Company comprises 1,762,247,131 Shares (excluding treasury shares). For illustrative purposes, assuming that there is no change to the number of Shares in issue as at the Record Date, the Company will distribute approximately 352.4 million KREIT Units representing, in aggregate, approximately 9.3 per cent. of the total number of KREIT Units in issue, and immediately following completion of the Proposed Distribution, the Company will hold, directly and indirectly, 1,394,101,389 KREIT Units representing, in aggregate, approximately 37.0 per cent. of the total number of KREIT Units in issue.

No payment will be required from Entitled Shareholders for the KREIT Units to be received from the Proposed Distribution. The KREIT Units will be distributed free of encumbrances and together with all rights attaching thereto on and from the date the Proposed Distribution is completed (the "**Completion Date**").

1.2 Proposed Change of Name

The Company is also proposing to change its name from "Keppel Corporation Limited" to "Keppel Ltd." (the "**Proposed Change of Name**").

Further information on the Proposed Change of Name is set out in paragraph 6 below.

1.3 EGM

The Directors are convening the EGM to seek Shareholders' approval for the Proposed Distribution and the Proposed Change of Name.

The Proposed Distribution is subject to various conditions, including but not limited to the approval of Shareholders by way of an ordinary resolution, as set out in paragraph 4.4 below.

The Proposed Change of Name is also subject to the approval of Shareholders by way of a special resolution, as set out in paragraph 6.2 below.

The purpose of this Circular is to provide Shareholders with relevant information relating to the Proposed Distribution and the Proposed Change of Name, including the rationale and the pro forma financial effects of the Proposed Distribution on the KCL Group and the rationale of the Proposed Change of Name, and to seek Shareholders' approval for the Proposed Distribution and the Proposed Change of Name at the EGM.

The Notice of EGM is set out in the Appendix to this Circular.

1.4 Legal Adviser

Allen & Gledhill LLP is the legal adviser to the Company in relation to the Proposed Distribution and the Proposed Change of Name.

2. RATIONALE FOR THE PROPOSED DISTRIBUTION

The rationale, and expected benefits, of the Proposed Distribution to the Company and Shareholders are as follows:

2.1 Strategic Alignment and Capital Management

In line with the Company's pivot to be a leading global asset manager and operator with strong expertise in sustainability-related solutions spanning the areas of infrastructure, real state and connectivity, the Company aims to deliver sustainable growth and high returns to its Shareholders. The Proposed Distribution is part of the Company's ongoing capital management, and will unlock value for Shareholders. The Proposed Distribution also allows for the growth of the investor base of KREIT and an increase in its level of public float, both factors of which encourage improved trading liquidity of KREIT.

Post the Proposed Distribution, the Company will remain the largest unitholder of KREIT with approximately 37.0 per cent. of KREIT Units, maintaining strong alignment with KREIT unitholders' interests. Details of the Company's ownership interest in KREIT are set out in paragraph 4.2. KCL, through its subsidiary Keppel Land Limited, remains fully committed as a sponsor of KREIT to further develop KREIT's growth.

2.2 Unlocking value for and rewarding Shareholders

The Proposed Distribution will enable Shareholders to directly participate in the ownership of, and enjoy returns from, securities held in both the Company and KREIT without any additional cash outlay.

Giving Shareholders a direct unitholding in KREIT will also enable Shareholders to directly influence the future direction of KREIT and benefit directly from any future corporate actions and exercises involving KREIT (for example, distributions etc.).

In addition to the reasons set out above, the Proposed Distribution serves as a one-off special dividend to commemorate the 55th anniversary of the establishment of the Company on 3 August 2023 and to thank Shareholders for their trust and support over the years.

3. INFORMATION ON KREIT

3.1 General

Listed by way of an introduction on 28 April 2006, KREIT is one of Asia's leading real estate investment trusts with a portfolio of prime commercial assets in Asia Pacific's key business districts.

KREIT has a portfolio value of over \$9.0 billion, comprising properties in Singapore; the key Australian cities of Sydney, Melbourne and Perth; Seoul, South Korea; as well as Tokyo, Japan.

KREIT is managed by Keppel REIT Management Limited and sponsored by KCL (through its subsidiary Keppel Land Limited), a global asset manager and operator with strong expertise in sustainability-related solutions spanning the areas of infrastructure, real estate and connectivity.

3.2.2 the net asset value of KREIT attributable to its unitholders is approximately S\$5,119 million as at 31 December 2022.

3.3 Further Information on KREIT

Further information on KREIT can be found at the website of KREIT at <https://www.keppelreit.com> and at the website of the SGX-ST at <https://www.sgx.com>.

4. DETAILS OF THE PROPOSED DISTRIBUTION

4.1 Entitled Shareholders

Shareholders who hold Shares as at the record date to be determined by the Directors for the purpose of determining the entitlement of the Shareholders for the Proposed Distribution (the “Record Date”) will be entitled to the Proposed Distribution (the “Entitled Shareholders”). Please refer to the Indicative Timetable on page 6 of this Circular.

4.2 Method of Distribution and Distribution Ratio

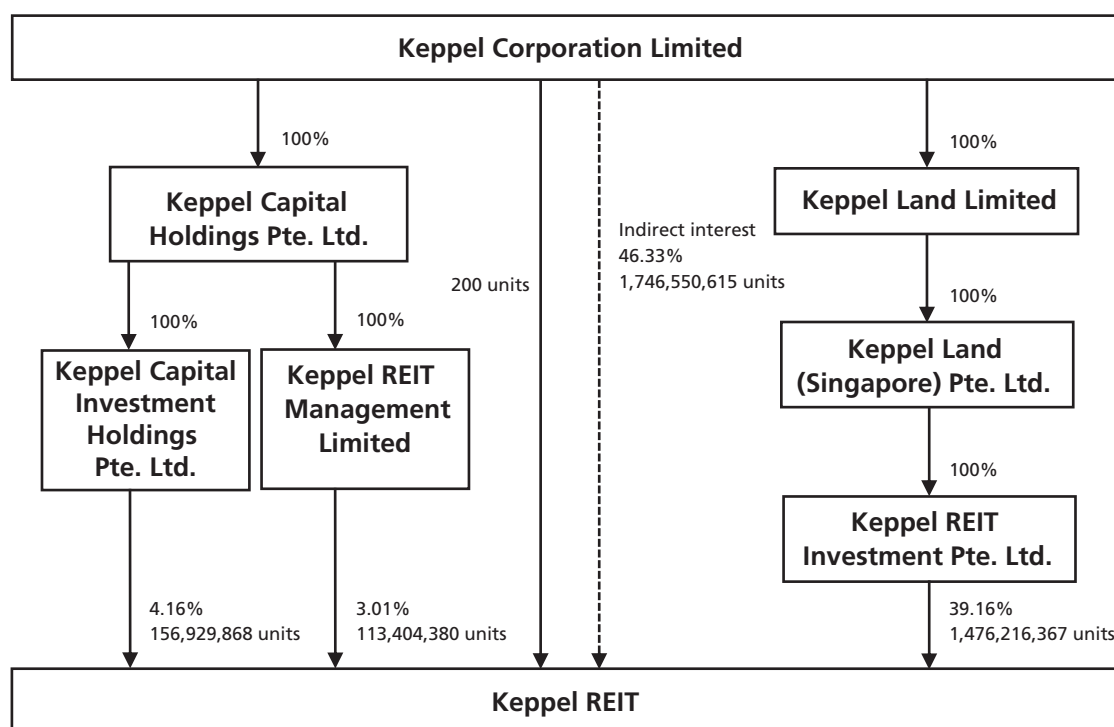

The Proposed Distribution will be effected by way of a special dividend *in specie* of the KREIT Units to Entitled Shareholders on the basis of **one (1) KREIT Unit for every five (5) Shares** held by each Entitled Shareholder as at the Record Date, fractional entitlements to be disregarded. In arriving at the distribution ratio, the Company took into account several factors including but not limited to the financial impact on the KCL Group, the Company’s capital management objectives, the rewarding of Shareholders and any potential impact on KREIT. The final number of KREIT Units to be received by each Entitled Shareholder will depend on the total number of issued Shares held by the Entitled Shareholder as at the Record Date.

As at the Latest Practicable Date, the Company holds, directly and indirectly, 1,746,550,815 KREIT Units representing, in aggregate, approximately 46.3 per cent. of the total number of KREIT Units in issue as at the Latest Practicable Date, in the following manner:

4.2.1 the Company directly holds 200 KREIT Units;

- 4.2.2** Keppel REIT Investment Pte. Ltd., an indirect wholly-owned subsidiary of Keppel Land Limited which in turn is a wholly-owned subsidiary of the Company, directly holds 1,476,216,367 KREIT Units, representing approximately 39.16 per cent. of the total number of issued and paid-up KREIT Units;
- 4.2.3** Keppel Capital Investment Holdings Pte. Ltd., a wholly-owned subsidiary of Keppel Capital Holdings Pte. Ltd. which in turn is a wholly-owned subsidiary of the Company, directly holds 156,929,868 KREIT Units, representing approximately 4.16 per cent. of the total number of issued and paid-up KREIT Units; and
- 4.2.4** Keppel REIT Management Limited, a wholly-owned subsidiary of Keppel Capital Holdings Pte. Ltd. which in turn is a wholly-owned subsidiary of the Company, directly holds 113,404,380 KREIT Units, representing approximately 3.01 per cent. of the total number of issued and paid-up KREIT Units.

The unitholding percentages of the Company and its wholly-owned subsidiaries in KREIT as at the Latest Practicable Date are set out below:

As at the Latest Practicable Date, the issued share capital of the Company comprises 1,762,247,131 Shares (excluding treasury shares). Assuming that there is no change to the number of Shares in issue as at the Record Date, for illustrative purposes, the Company will distribute approximately 352.4 million KREIT Units pursuant to the Proposed Distribution.

To facilitate the Proposed Distribution, the Company's indirectly-held wholly-owned subsidiary, Keppel REIT Investment Pte. Ltd., will transfer approximately 352.4 million KREIT Units to the Company, representing approximately 9.3 per cent. of the total number of KREIT Units in issue¹ as at the Latest Practicable Date, and the Company will transfer such KREIT Units to Shareholders pursuant to the Proposed Distribution.

The unitholding percentages of the Company and its wholly-owned subsidiaries in KREIT immediately following completion of the Proposed Distribution are set out below:

No payment will be required from Entitled Shareholders for the Proposed Distribution. The KREIT Units will be distributed free of encumbrances and together with all rights attaching thereto on and from the Completion Date.

For avoidance of doubt, the Proposed Distribution by the Company to Shareholders is separate from any distribution made or to be made by the Company to its Shareholders and KREIT to its unitholders (including any cash distribution made in respect of the first half financial period ended 30 June 2023).

4.3 Appropriation from Retained Profits

To effect the Proposed Distribution as a special dividend *in specie* (characterised as a one-tier dividend), the Company will appropriate an amount out of the retained profits of the Company to meet the amount of dividend to be declared. The final appropriated amount is expected to be based on the market value of the KREIT Units on the Completion Date. As an illustration, assuming that the market value of the KREIT Units on the Completion Date is S\$0.915 per KREIT Unit (being the last traded price of the KREIT Unit on the SGX-ST on 26 July 2023), the estimated amount of the

¹ Subsequent to the DIS Announcement, 12,334,692 KREIT Units were issued on 4 August 2023 as payment of the base fee component of the management fee of Keppel REIT Management Limited (as manager of KREIT), as announced by Keppel REIT Management Limited in the KREIT Manager 4 Aug Announcements. Following such issuance, the total number of KREIT Units in issue increased to 3,769,746,389.

retained profits of the Company to be appropriated to meet the amount of the dividend to be declared would be approximately S\$322.5 million.

4.4 Conditions to the Proposed Distribution

The Proposed Distribution is subject to and conditional upon, *inter alia*, the satisfaction or waiver of the following conditions precedent:

- 4.4.1 the approval of Shareholders by way of an ordinary resolution for the Proposed Distribution at the EGM; and
- 4.4.2 all other necessary waivers, consents and approvals from, *inter alia*, the SGX-ST and other third parties in connection with the Proposed Distribution being obtained.

The SGX-ST has informed the Company that it has no comments on this Circular. Please note that the SGX-ST assumes no responsibility for the correctness of any of the statements made or opinions expressed in this Circular. There are no other waivers, consents or approvals required from third parties in connection with the Proposed Distribution.

4.5 Effects of the Proposed Distribution

Based on the number of Shares (excluding treasury shares) in issue, and the number of KREIT Units held, directly and indirectly, by the Company, as at the Latest Practicable Date, on completion of the Proposed Distribution, the KCL Group's unitholding in KREIT will decrease by approximately 9.3 per cent., from 1,746,550,815 KREIT Units (being approximately 46.3 per cent. of the total number of KREIT Units in issue as at the Latest Practicable Date) to approximately 1,394.1 million KREIT Units (being approximately 37.0 per cent. of the total number of KREIT Units in issue as at the Latest Practicable Date) (the "**Proposed Distribution Scenario as at the Latest Practicable Date**").

4.5.1 Financial Effects of the Proposed Distribution – Bases and Assumptions

The pro forma financial effects of the Proposed Distribution on selected financial measures of the KCL Group have been prepared based on the audited consolidated financial statements of the KCL Group for FY2022 and the KREIT FY2022 Financial Results and are **purely for illustrative purposes only** and do not reflect the future actual financial position of the KCL Group following the completion of the Proposed Distribution.

Accordingly, the pro forma financial effects of the Proposed Distribution (a) do not take into account the financial effects of (i) the transfer of, *inter alia*, the legacy rig assets and associated receivables of Keppel Offshore & Marine Ltd. to Rigco Holding Pte. Ltd., (ii) the combination of Keppel Offshore & Marine Ltd. and Sembcorp Marine Ltd. and (iii) the distribution *in specie* of shares in Sembcorp Marine Ltd. by the Company to Shareholders, which completed on 27 February 2023, 28 February 2023 and 1 March 2023 respectively, on the KCL Group, and (b) are based on the financial position of the KCL Group for FY2022 and as at 31 December 2022, prior to such completion.

The pro forma financial effects have also been prepared based on, *inter alia*, the following assumptions:

- (a) the Proposed Distribution Scenario as at the Latest Practicable Date;
- (b) the Proposed Distribution of such KREIT Units will be based on the market value of the KREIT Units on the Completion Date. Entitled Shareholders will hold both Shares and KREIT Units immediately after the Proposed Distribution. **The Proposed Distribution will not result in any change to the issued and paid-up share capital of the Company after the Proposed Distribution or to the number of Shares held by each Entitled Shareholder.**

Subject to the conditions in paragraph 4.4 of this Circular being satisfied, it is currently expected that the Securities Accounts of Shareholders who are Depositors will be credited with the KREIT Units on or about 7 November 2023. Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction outside Singapore should consult their own professional advisers.

4.7.1 Tax Implications for Shareholders

As the Company is tax resident in Singapore, dividends paid by the Company (whether paid in the form of cash or by way of distribution *in specie* of the Company's assets) are tax exempt (one-tier) dividends which are exempt from Singapore income tax in the hands of the Shareholders. Accordingly, as the Proposed Distribution is a payment of a dividend *in specie* by the Company, it will be exempt from Singapore income tax when received by Shareholders.

4.7.2 Stamp Duty

The Company will bear stamp duty, if any, chargeable for the transfer of the KREIT Units by the Company to Shareholders pursuant to the Proposed Distribution.

5. ADMINISTRATIVE PROCEDURES FOR THE PROPOSED DISTRIBUTION

5.1 Record Date and Entitlements

Persons registered in the Register of KCL and Depositors whose Securities Accounts are credited with Shares as at the Record Date would be entitled to receive one (1) KREIT Unit for every five (5) Shares held by them or on their behalf as at the Record Date.

The Company will announce the Record Date in due course in order to determine the entitlements of each Shareholder to the KREIT Units.

5.2 Depositors

In the case of Shareholders being Depositors, entitlements to the KREIT Units will be determined on the basis of the number of Shares standing to the credit of their respective Securities Accounts as at the Record Date. Following the Record Date, CDP will credit their Securities Accounts with the relevant number of KREIT Units on the credit date to be announced by the Company in due course and CDP will send to each such Depositor a notification letter confirming the number of KREIT Units that has been credited to his Securities Account.

5.3 Scrip Shareholders

In the case of Shareholders who hold Shares registered in their own names in the Register of KCL, entitlements to the KREIT Units will be determined on the basis of their holdings of Shares in the Register of KCL as at the Record Date. Following the Record Date, the names of such Shareholders as well as the relevant number of KREIT Units to be distributed to such Shareholders will be entered into the Register of KREIT and a confirmation note in respect of the KREIT Units will be sent to them by registered post to their address as stated in the Register of KCL. Shareholders should note that they will not be able to trade in such KREIT Units on the SGX-ST unless they have a Securities Account and make appropriate arrangements for the KREIT Units to be deposited with CDP for crediting into said Securities Account.

Shareholders holding their Shares in scrip form and who wish to have the KREIT Units credited to their Securities Accounts pursuant to the Proposed Distribution or wish to trade the KREIT Units on the SGX-ST on or immediately after the Proposed Distribution should deposit with CDP their existing share certificates in respect of their Shares, together with the duly executed instruments of transfer in favour of CDP, no later than 5.00 p.m. on 10 October 2023, being the date falling 12 Market Days prior to the Record Date so as to enable CDP to credit their Securities Accounts with the relevant Shares by the Record Date and thereafter for CDP to credit their Securities Accounts with the relevant KREIT Units.

5.4 CPFIS Members

In the case of investors who have purchased Shares using their CPF funds (“**CPFIS Members**”), entitlements to the KREIT Units will be determined on the basis of the number of Shares held by the CPF Agent Banks on behalf of each CPFIS Member as at the Record Date. Following the Record Date, CDP will credit the KREIT Units attributable to CPFIS Members pursuant to the Proposed Distribution to the respective Securities Accounts of the relevant CPF Agent Banks, and the CPF Agent Banks will update their records accordingly.

5.5 SRS Investors

In the case of investors who have purchased Shares using their SRS funds (“**SRS Investors**”), entitlements to the KREIT Units will be determined on the basis of the number of Shares held by the SRS Approved Banks on behalf of each such SRS Investor as at the Record Date. Following the Record Date, CDP will credit the KREIT Units attributable to such SRS Investors pursuant to the Proposed Distribution to the respective Securities Accounts of the relevant SRS Approved Banks, and the SRS Approved Banks will update their records accordingly.

5.6 Investors whose Shares are held through a finance company and/or a Depository Agent

In the case of investors who hold Shares through a finance company and/or Depository Agent, entitlements to the KREIT Units will be determined on the basis of the number of Shares held by the finance companies and/or the Depository Agents on behalf of such investors as at the Record Date. Following the Record Date, CDP will credit the KREIT Units attributable to such investors pursuant to the Proposed Distribution to the respective Securities Accounts of the relevant finance companies and/or Depository Agents.

5.7 Overseas Shareholders

You will be regarded as an overseas shareholder if your registered address for the service of the notices and/or documents on the Register of KCL or the Depository Register (as the case may be) is not in Singapore as at the Record Date (such Shareholders, "**Overseas Shareholders**"). Shareholders who wish to change their registered address on the Register of KCL or the Depository Register (as the case may be) to provide an address in Singapore in substitution thereof prior to the Record Date may do so by sending a notice in writing to the Share Registrar (in the case of a change of address on the Register of KCL) or CDP (in the case of a change of address on the Depository Register), respectively not later than three (3) Market Days prior to the Record Date.

The distribution of this Circular to Overseas Shareholders and the Proposed Distribution may be prohibited or restricted (either absolutely or subject to various securities requirements, whether legal or administrative, being complied with) in certain jurisdictions under the relevant securities laws of those jurisdictions. Overseas Shareholders are required to inform themselves of and to observe any such prohibition or restriction at their own expense and without any liability of the Company. It is the responsibility of Overseas Shareholders to satisfy themselves as to the full observance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, the compliance with other necessary formalities which are required to be observed and/or payment of any issue, transfer or other taxes due in such jurisdiction.

For practical reasons and in order to avoid violating applicable securities laws outside Singapore, or where the Directors are of the view that such distribution may infringe any foreign law or may necessitate compliance with conditions or requirements which the Directors, in their absolute discretion, regard as onerous or impracticable by reason of costs, delay or otherwise, the Directors reserve the discretion not to distribute the KREIT Units to any Overseas Shareholder and to deal with such KREIT Units in the manner set out below.

In the event the Directors decide not to distribute the KREIT Units to any Overseas Shareholders, arrangements will be made for the KREIT Units which would otherwise be distributed to such Overseas Shareholders pursuant to the Proposed Distribution to be sold by such person(s) as may be appointed by the Directors. Thereafter the net proceeds of such sale, after deducting for all dealings and other expenses in connection therewith, shall be distributed proportionately among such Overseas Shareholders according to their respective entitlements to the KREIT Units as at the Record Date in full satisfaction of their rights to the KREIT Units which they would otherwise have become entitled to under the Proposed Distribution.

5.8 Odd Lot Trading

KREIT Units are traded in board lots of 100 KREIT Units in the ready market. Shareholders may receive odd lots of KREIT Units pursuant to the Proposed Distribution (that is, lots other than board lots of 100 KREIT Units). Shareholders who receive odd lots of KREIT Units pursuant to the Proposed Distribution and who wish to trade such odd lots of KREIT Units on the SGX-ST are able to trade with a minimum size of one (1) KREIT Unit on the Unit Share Market of the SGX-ST. As odd lots of KREIT Units can be traded on the Unit Share Market of the SGX-ST, no separate arrangement will be made for the trading of such odd lots. Shareholders should note that the

market for trading of odd lots of KREIT Units may be illiquid and trading in odd lots of KREIT Units may also incur a proportionately higher brokerage cost than trading in board lots of KREIT Units.

6. PROPOSED CHANGE OF NAME

6.1 Rationale

As announced earlier this year on 3 May 2023, Keppel has embarked on a significant transformation as part of its Vision 2030 strategy to create further value for its Shareholders. This includes removing its past conglomerate structure and reorganising itself as one integrated company, consisting of three horizontally integrated platforms, namely the fund management, investment and operating platforms, with deep operating capabilities in infrastructure, real estate and connectivity. Support functions will also be centralised and optimised. This latest restructuring reflects a fundamental shift in how Keppel organises itself to operate itself in a nimbler manner and harness technology to grow at speed and scale.

The Company refers Shareholders to its various announcements on 3 May 2023 and 14 August 2023.

To better align and more accurately reflect Keppel's strategic direction to be a global asset manager and operator with one common purpose, it is proposed that the name of the Company be refreshed from "**Keppel Corporation Limited**" to "**Keppel Ltd.**" with effect from 1 January 2024. The Proposed Change of Name will better reflect Keppel's new brand identity as one company rather than a conglomerate of diverse parts, and allow all stakeholders including employees, customers, Shareholders and investors to better identify with the strategic direction of the Company going forward.

6.2 Approvals

ACRA has granted its in-principle approval for the Company's application to reserve its proposed new name, "Keppel Ltd.", and such name has been reserved until 4 January 2024. The Proposed Change of Name is subject to Shareholders' approval and will only take legal effect upon registration by ACRA. As mentioned in paragraph 6.1 above, it is proposed that the Proposed Change of Name will take effect from 1 January 2024.

6.3 Administrative Procedures

Upon receipt of Shareholders' approval and subject to registration by ACRA, the Company shall change its name to "Keppel Ltd." and the name "Keppel Ltd." shall be substituted for "Keppel Corporation Limited" wherever the latter name appears in the Constitution of the Company.

The Company will make an announcement when the change of its name is effective. Shareholders should note that the Proposed Change of Name will not affect the identity or legal status of the Company or any of the rights or obligations of the Company or any of the rights of the Shareholders, and the existing Shares will continue to be traded on the SGX-ST.

6.4 No Replacement of Existing Share Certificates

Shareholders should note that, notwithstanding the change of the Company's name to "Keppel Ltd.", the existing share certificates of the Company issued prior to the date on which the Proposed Change of Name takes legal effect will continue to be valid. The Company will not undertake a recall of existing share certificates, which will continue to be *prima facie* evidence of title and no further action will be required on the part of Shareholders.

If he/she/it only has Shares registered in his/her/its name in the Register of Members, he/she/it should insert that number of Shares. However, if he/she/it has Shares entered against his/her/its name in the Depository Register and Shares registered in his/her/its name in the Register of Members, he/she/it should insert the aggregate number of Shares entered against his/her/its name in the Depository Register and registered in his/her/its name in the Register of Members. Where a member appoints two proxies, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the Proxy Form. If no percentage is specified, the first named proxy shall be deemed to represent 100 per cent. of the shareholding and the second named proxy shall be deemed to be an alternate to the first named proxy.
